§ 2 Extent of use

1. The user agrees to use the international database, and supplementary products and services of RTL-G only for its own commercial and independent professional activities and declares itself not to be a consumer. The user is committed not to send messages contrary to the democratic laws or regulations.
2. Any use of products of RTL-G that is not covered by the definitions given on the concerning website of the product is considered unsolicited communications (spam) and is prohibited. The user notes that the recipient of spam may be entitled to injunctive relief under competition law and/or a claim for damages against the user irrespective of the selected technical form of communication (e-mail or SMS).
3. While using the international database the user undertakes to only change or supplement database content when, acting with due care and diligence, there can be no reasonable doubt as to the factual correctness of the planned corrections or amendments. The user agrees not to send any pornographic, politically extreme

or religiously fanatical material or other content that is not consistent with the free democratic constitutional system or otherwise violates prevailing law.

§ 3 Liability

1. RTL-G assumes no liability whatsoever for the content, data integrity, delivery or whereabouts of communications sent via the supplementary products and services.
2. The user is liable, in accordance with the general laws and pursuant to these Terms of Use, for the contents it sends via the supplementary products and services of RTL-G. Should a claim be made on RTL-G as a result of the law or these Terms of Use being violated, the user shall indemnify RTL-G against such claims on first demand.

§ 4 Consequences of misuse

1. Should the user violate § 2 of these Terms of Use, it shall incur a contractual penalty of € 25.00 for every mailing and every advertiser that has been sent an unsolicited offer.
2. In the event of § 2 of these Terms of Use being violated, RTL-G is also entitled to:
 - a. claim damages and to advise all RTL-G users and advertisers in an appropriate manner of the methods of the user;
 - b. to inform the user's Internet service provider of the user's conduct and use its influence to have the user's Internet access and/or web hosting accounts blocked;
 - c. to refuse the user access to the supplier search engine temporarily or permanently.

§ 5 Place of jurisdiction and severability clause

The law of the Federal Courts in Amsterdam shall apply. The exclusive place of performance and court is Amsterdam. Any amendments to these Terms of Use, including the written-form clause, must be made in writing. The invalidity of any individual provisions shall not otherwise affect the validity of these Terms of Use.

Privacy and Cookie Policy - RealTime Lead Group B.V.

§ 1 Introduction

This privacy and cookie policy applies to websites and services of RealTime Lead Group B.V. (Hereinafter: "RTL-G"), its subsidiaries and its brands. By using the services and/or websites of RTL-G and its subsidiaries and brands, you will agree to accept this Privacy and Cookie Policy.

RTL-G believes that protecting the privacy of users, visitors, customers and subscribers of its web sites is important for its activities.

The information processed about you by RTL-G (hereinafter referred to as "personal data") is treated with the utmost care and security. RTL-G abides by all applicable laws and regulations, including the Data Protection Act. The person responsible for the processing of personal data is RTL-G BV at Paasheuvelweg 40, 1105 BJ Amsterdam Zuidoost.

§ 2 Provision Of Personal Information Is Not Required

The starting point of this policy is that providing personal information to RTL-G is not mandatory. You will always have the choice whether you want to enter personal data or not. However, in order to make use of some services of RTL-G, the entry of personal data is needed. If data entry is asked for, it will be specified which information is needed in order for the service to be provided correctly, and which is optional.

§ 3 Types Of Data Processing And Purposes

RTL-G can process personal data in the provision of services. This includes information such as name, contact details, date of birth, gender and email address, and also information about your interests as a user of one or more of our websites. This information may be known at RTL-G, for example because you have indicated that certain topics are of interest to you or because RTL-G has derived your interests from the way you use the services of Invest Avant. Also, financial information, such as bank account information is processed if you order products on one of our websites, where such information is necessary for the payment of the products. The servers of RTL-G also automatically register certain information such as URL, IP address, browser type and language, and the date and time of your visit to our websites.

RTL-G can exchange your personal information with its group companies. This includes all subsidiaries of RTL-G. Your data can be combined by RTL-G with data collected as part of your purchase or use of products or services of RTL-G or its group companies. RTL-G does this to improve our service to you and to adjust the content of the websites even better to your particular needs. If you object to the exchange and combination of your personal information with group companies, please inform us by sending a letter to the address above.

RTL-G collects and processes through its websites operated personal data for the following purposes:

- For the creation and implementation of any agreement made with you and give you the agreed services, products and / or information to offer, deliver, and to adapt it to your needs and wishes;
- To give you the opportunity to post and exchange information on the websites, or to have contact with other users, if that option is available;
- When speaking of a paid service, for the administrative processing of your account and billing;
- For targeted offers, for example, a promotion for a product can be set up when RTL-G suspects that it will interest you, based on collected data.
- To send you a newsletter, offer, user information, message or other electronic message services (you will receive the monthly newsletter only after giving explicit permission, you always have the option to unsubscribe for all electronic messages);
- To analyze, maintain, protect and optimize its websites and related technologies;
- To meet the laws and regulations resting on RTL-G;

RTL-G stores your data as long as needed for the above purposes or to meet legal (storage) requirements.

§ 4 Sharing And Disclosure Of Personal Information

As previously mentioned, RTL-G can share your personal data, collected by RTL-G, amongst its group companies and can combine your personal information with data collected as part of your purchase or use of products or services of RTL-G or its group companies.

Your information will be used only for statistical reports, such as amount of users, age, location, etc. for information for potential advertisers

In the event that you break this Agreement, it may under some circumstances be necessary to share your information. If we have a legal or regulatory reason, your account can be closed or blocked for access.

§ 5 Security

RTL-G maintains a level of security at all times in the processing of personal data that, given the state of the technology, is sufficient to prevent unauthorized access, alteration, disclosure or loss of personal data.

§ 6 Object, Access, Alteration And Removal Of Personal Data

If you have a relationship with our company, you do, upon submitting a written request, have the opportunity to see your personal information. If the provided summary contains inaccuracies, please contact us in writing to have the data to modified or removed. You can also notify us in writing if you do not want to be approached with information about our products and services by reporting this at the following address:

RealTime Lead Group BV, Paasheuvelweg 40, 1105 BJ Amsterdam Zuidoost, the Netherlands.

§ 7 The Service: WebAnalytics

Certain subsidiaries of RTL-G offer the Web Analytics service in conjunction with the use of their main product, with the aim to analyze the traffic that is present in the company profile of the customer. The connection through the Analytics service (the "Service") is a service provided by RTL-G and subsidiaries in collaboration with Intelligence Focus and Piwik (the "Service Providers"), which is supplied to users or advertisers of RTL-G (the "Advertisers"), for example to refer to the data obtained from companies visiting the company profile of the Advertisers and to determine how many visitors the website has. we can analyse the website for that purpose monitor.

The data collected about visitors through this Service (IP address, and day and time of the visit on the site) is only related to Companies (no IP address relating to individuals is processed). The data is collected by our Service Providers with data available on Internet registries (Name of the company and the public DNS (Domain Name Service) information) (the "Data") and then communicated to the customers of the Service with additional available data (such as tenders received and public statistical data) of RTL-G .

The data is processed by RTL-G and the Service Provider (can be established outside the European Union), with as sole purpose supplying the Service and will only be communicated with the Advertisers, excluding any other purpose. Data is treated confidentially and is not communicated to another party by RTL-G and its Service Providers.

Advertisers may use information provided by you or obtained by the Service for marketing reasons, eg to inform you about their products or services. As indicated above, this only includes data from companies and not individuals. As provided by applicable law, you have the right to at any time discuss the use of your data for marketing reasons and to object by contacting the Advertiser and by informing RTL-G (at the above mentioned address).

As part of the Service, our Advertisers are required to enter into an agreement with us, which they undertake to keep the data confidential and to use it in full compliance with applicable laws, particularly with personal information legislation. However, RTL-G has no power or control over its Advertisers and they are still free to determine how this data will be used and they must be regarded as the controller within the applicable meaning of the privacy legislation. RTL-G and its Providers act only as processors for Advertisers and therefore cannot guarantee how its advertisers use the data and accept no liability in this regard.

By visiting this site, you agree to the above services and principles.

§ 8 Cookies

For delivery of the Analytics service (as listed in the article above), RTL-G and its Providers may place cookies on your computer after visitation of their websites. Cookies are files that Web servers place on an Internet user's computer that are designed to save basic information (such as visitor preferences). Placing cookies can in no way harm your computer or damage your files. This helps RTL-G and its Providers to better estimate the number of anonymous individuals on the website of RTL-G and its subsidiaries.

There are two types of cookies that can be used: session and permanent. Session cookies exist only during an online visitor session of a website. They disappear from the visitor's computer when he / she closes the browser software. Permanent cookies remain on the visitor's computer after the browser is closed. These cookies are also used to measure visitor behavior on the websites of advertisers when opening company profiles.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can modify your browser settings to accept cookies from one or more websites to refuse. You should review the settings in your browser settings. As each browser is different, RTL-G refers to the "help" menu of your browser to set your cookie preferences. If you choose to decline cookies, you may find that some (user friendly) options and parts of the website are not available if those parts depend on cookies.

§ 9 Changing Of The Privacy And Cookie Policy

RTL-G reserves the right to adapt her privacy and cookie policy. If RTL-G makes substantial changes, it will ensure a more prominent notice, for example via email for certain services.
